Golden Gavel Awards**

On behalf of the board of management of Society of Auctioneers & Appraisers SA Inc. we **would like to congratulate you and convey our sincere thanks for an absolutely sensational three course dinner.** We have received many accolades from guests who attended our Gala Awards and dinner saying that the **food and catering was by far the best** they have ever received at similar events.

I attended a similar awards and dinner on the night following ours, at a major SA and well known venue and might **I say that your presentation, quality and service blew theirs out of the water.**

Thank you very much for playing a major role in insuring the Society stays at the forefront of the Real Estate and Auctioneering profession in SA.

Yours sincerely
